SPII MODEL LUBINUS

INTERMEDIATE

Focus

Live Surgery

SPII Model Lubinus

- Gain **valuable experience** in the surgical setting of the Lubinus Clinic while participating in a **live surgery**.
- Experience **firsthand knowledge** from renowned surgeons at the origin of the SPII stem: the **Lubinus Clinic**.
- Learn **tips, tricks and potential pitfalls** from experienced faculty to improve surgical efficiency and patient outcomes.
- **Collaborate with experienced instructors and peers**, sharing insights and best practices to deepen your expertise.

Target Group

Surgeons seeking to develop their knowledge of the products by experiencing in-depth exploration of the instruments, implants and surgical techniques guided by experts. Surgical experience with the implant system is not mandatory.
