Focus

Hands-on Wetlab Workshop

MP Reconstruction System

MobileLink Acetabular Cup System

TrabecuLink Augments

- Refine your experienced knowledge on the implants by **lively discussions** and **practical application** in a **wetlab** setting.
- Experience first-hand how our renowned **instructors demonstrate and perform their cases** including tips and tricks.
- Engage in dynamic discussions on **challenging cases and hot topics** with our experienced faculty for best patient outcomes.

Target Group

Surgeons seeking to advance their experienced knowledge on the implant systems by in-depth exchange with experts and hands-on application. An intermediate level of surgical experience with the implant systems is mandatory.
